

Digital Signage **Restaurant**

Advertise specials, update menus, and offer special announcements in your restaurant with our line of Digital Signage! These digital displays allow you to update signs for specific date or time ranges. Easily promote your breakfast, lunch, or dinner menus with our easy-to-use ADPlaylist Editor.

Additional features of our signs include:

- Up-sell your products with high quality graphics and videos
- Spotlight individual menu items in 1080P HD
- Issue immediate price and menu changes
- Boost the success of promotional items
- Decrease printing costs
- Reduce perceived wait times, while entertaining and enhancing the customer experience

Some additional features that our signs offer and are capable of include:

- Artwork options based on easy-to-edit premade templates
- Live display of weather feeds and updates with our built-in weather app
- Live RSS, news, and stock market feeds
- Unlimited technical support and training
