

65" Freestanding Non-Touch Kiosk

Introducing the highly sought-after 65-inch Freestanding Non-Touch Kiosk, the go-to LCD digital display solution for retail businesses. Renowned for its popularity and versatility, this kiosk has become a staple choice for retailers looking to make a lasting impact on their customers. With its impressive size and vibrant display, this kiosk commands attention and provides an engaging platform for showcasing promotional content, advertisements, and product information.

Designed with convenience in mind, this freestanding kiosk features casters on the base of the unit, allowing for easy mobility and placement in any desired location. Whether you want to attract attention near the entrance, highlight specific product displays, or cater to different store layouts, the casters enable effortless movement of the kiosk. This flexibility ensures that you can optimize customer engagement by strategically positioning the kiosk for maximum impact, creating a captivating and immersive retail experience that leaves a lasting impression.

The 65-inch Freestanding Non-Touch Kiosk is the perfect display solution for retailers seeking a powerful tool to engage customers and drive sales. With its impressive size, easy maneuverability, and stunning visual capabilities, this kiosk offers a dynamic platform for delivering impactful content and capturing the attention of shoppers. Experience the power of this popular LCD digital display, and elevate your retail business to new heights.
