

UV55W

55" Outdoor Wall Mount Commercial Display

Outdoor Wall Mount

The Elite Outdoor is a 55 inch ultra high brightness professional LCD. With a brightness rating of 2,500 cd/m² this display features an LED back light for incredible, high contrast picture quality and low power consumption. The Elite Outdoor is perfect for wall application in bright environments. Designed for use in direct sunlight, the specially designed LCD panel prevents "blackening defect" caused by high temperatures and has an operating temperature of 9000K to 10000K.
